

INDEX I.

THE 2,490 COMMONEST CHINESE CHARACTERS ARRANGED ACCORDING TO THEIR RADICALS.

(The number above each character will enable the student to find it in the WRITING LESSONS and in the LIST OF NEW CHARACTERS appended to each Section, where its pronunciation and signification are given, with occasional other details. The numbers to the right show the number of strokes in each character, exclusive of the Radical itself; conf. pp. 126-7.)
